Fermentation takes place in temperature-controlled stainless-steel tanks. Before bottling, the wine is filtered and cold stabilised.

**TASTING NOTES**

Quinta da Raza Vineyard Collection - Vinha das Lamelas has intense white-fleshed fruit aromas that emerge as the wine evolves in the glass. Notes of rich and mature fruit make the wine gain another dimension in the mouth where it is surprisingly smooth and delicate. This wine has good ageing potential, developing additional complexity, mouthfeel and flavour. Suitable for vegans.

Fish, shellfish and mild cheeses
